

West Bend Social Service Operations

Finding the right insurance program just got easier.
That's The Silver Lining®.

West Bend Mutual Insurance Company is focused on providing the right insurance coverage for your social service operation. This program is specially designed for adult day care, community action programs, sheltered workshops, women's shelters, and many other agencies that provide programs to individuals and families who need special assistance.

West Bend provides:

- Great pricing;
- Exceptional coverage;
- Convenient payment options; and
- Experienced claims professionals

Your business is unique and deserves specialized attention. Let us tailor the coverage for the specific services you provide. If you'd like more information, please let us know how to best contact you and one of our insurance professionals will be in touch.
